Thank you, Nancy.

Jim is now reading through the 4 attachments/148 pages of Excelsior responses in order to estimate the LOE hours required to complete the review, and to resume regular calls.

We have used all the existing LOE in the Excelsior TDM to complete the prior review of the last

round of their responses.

We'll be back in touch soon with our estimate.

Thank you,

Jonathan

Hi Jim,

Please find attached request letter. I consulted with Kate. She thought the existing TDM covers the review for this response. She's in training today but please discuss updating LOE and timing with her. Excelsior wants to resume conference calls every two weeks starting April 13, 10 am.

Thanks, Nancy
